

Carlo Artemi

Hobby Photographer

ABOUT ME

Mr. Carlo Artemi was born in Bagnoregio (VT) on 12-9-1962.. and graduated in Physics at the University of Perugia after having completed his high school studies in Orvieto. He is currently retired and lives in Viterbo after having worked in the school sector. Mr. Artemi was and is an independent researcher with research in both Physics and social sciences including some Citizen Science projects in which he participates. Mr. Artemi is also an amateur photographer with photos also taken of professional models and appearances in art exhibition catalogs and photography competitions. Her favorite subjects are animals, landscapes especially in the areas where she lives and femininity. He has also written a historical novel inspired by the fascist racial laws. For details of these activities see www.carloartemiattivita.sitonline.it and <https://www.fotocommunity.com/photographer/carloartemi/1908293>
